

Eng 491B  
Module 10A

*Leopold's Marshland Elegy*  
**Worksheet**

**Instructions:**

1. Record and respond to a quote that resonated with you.
2. Record and respond to an example of Leopold's style that resonated with you.
3. What aspects of the sandhill cranes' historical past does Leopold weave into his narrative?
4. What environmental impacts does he attribute to the decline of the cranes, as part of his critique of modernity's attitude toward nature?
5. What led to the restoration of these marshlands?
6. What logic does Leopold use in defense of marshlands? What specter does he raise to inspire the preservation of marshlands?
